

Adult Bible Study—Fall 2007

The adult Bible study will meet on the following dates this fall. John and Shannan will lead the class together, and it will meet at both 11am and 7pm on the following dates, allowing for adults to attend either time they would like/is convenient for them.

We'll begin with an introduction to the Gospel of Luke and then look at some of the Parables in the 15th Chapter of Luke. From there we'll move to a two-week study of Acts and then we will take a week on Isaiah in December, which is the same book our children and youth are studying in Rotation Sensation in December.

We look forward to having you join us in the study of God's Word this fall!
